*There are four ways of joining a Presbyterian church, depending on whether or not you have been baptized, have been confirmed, and are currently on the membership rolls of another church. Please check whichever applies to you:*

\_\_\_\_\_ If you have not been baptized, you would join on **baptism & profession of faith.**

\_\_\_\_\_ If you have been baptized but have never been confirmed or joined a church (i.e. have never publicly professed your faith in Jesus Christ) you would join by **profession of faith.**

\_\_\_\_\_ If you have at one time been a member of a church but are not currently on any church's active membership rolls, or if you are a member of a church which does not provide letters of transfer, you would join by **reaffirmation of faith.**

\_\_\_\_\_ If you are currently on the membership rolls of a church which provides letters of transfer, you would join by **letter of transfer:**
