

CROP WALK

Dust off your

Walkin' Shoes for CROP WALK on Sunday, October 6

Immediately after church on Sunday, Oct. 6, we'll again be joining in Elkhart-based Church World Service's annual "CROP" Walk Against Hunger. FYI, a quarter of the local funds raised will benefit the C.C.S. Food Pantry! The trail starts at Island Park at 1:30 PM, and always has a "short" and a "longer" path.

So ... what do we need? WALKERS - if you'd enjoy getting some exercise with good company. Or if you prefer, **SPONSORS**, if you're able to support a walker with a modest (or immodest) donation.

WALKERS will need to pick up a Donation Envelope & Donor Form - they'll be available at church through September at our upstairs Welcome Desk, in the Bridge, or the Office. Or call Tom LeFevre, this year's Team Captain at 574-333-5368.

Mary & John Seddon will again staff a cookie & water station along the route, and **cookie makers** will be needed. So please speak with Mary or John in mid-September for details on cookie delivery and timing.

Walk on!
