

Pastor Installation Scheduled for Oct 13th, 2019

One of the great joyous moments for a congregation is the installation of a new Pastor. After electing a new Pastor, the Presbytery joins with the congregation for a special service of Installation.

We will install Pastor Sally on Sunday, October 13 at 4:00 PM.

Special participants will include: The Rev. Mike Wicks who will preach, the Rev. Austin Wicks who will give the charge to the congregation and the Rev. Jennifer Burns Lewis who will give the charge to the pastor.

Our own Harriet Sloop is planning the party afterwards!
