

## Let's Study the Gospel of Mark

Mark is believed to be the first gospel to be written down and it's highly likely that Luke and Matthew both had a copy of Mark's gospel in front of them when they wrote their gospels. So it's a perfect "first" gospel to read and study.

**Pastor Sally is offering a study of the gospel of Mark beginning Monday, January 20<sup>th</sup> at 6:00 p.m. in the reception room.** The class will last for about 16 lessons and will continue into early April. **Pastor Sally will be repeating the class material for the Men's Bible Study on Wednesday mornings at 8:30 a.m. if this time suits you better.**
