

## WORLD CAFÉ

### Join us for a Café Conversation - March 15th!

**On Sunday afternoon, March 15, from 3:30 - 5:00 p.m., we're going to have a conversation about our church and its future.**

Back in December our Session formed a Strategic Planning Team for the specific purpose: *to study what needs to be done to reach out to new people for Christ and grow this congregation with the intent of making recommendations concerning the gift from Janet Scholtes of \$190,000.00.* The team is working on several plans in response to this charge, including but not limited to new marketing approaches, possible renovations to the Bridge area, and possible new outreach approaches. Key to all of this, however, is a clear understanding of who we are as a congregation and what we have to offer new people among us in Elkhart. This is where our congregational conversation comes in.

We will hold a “World Café” so we can talk together about who we are, what is unique about our congregation, what we have to offer and what our future might look like. We will have these conversations around card tables like one might find in a café. We’ll rotate to new tables after each question so you will get a chance to talk with lots of people. And we’ll record all of the input on big sheets of newsprint so we can sift and sort all of your important comments as we move forward. It is really important that you join us! Please plan to attend.
